Dr. Ramesh Kumar Vankwani

Patron-in-Chief of Pakistan Hindu Council
Chairman Dr. Prem Kumar Sital Das Memorial Trust

MESSAGE

It is indeed a matter of pride that people have full trust in the Pakistan Hindu Council and I am thankful to our supporters and well-wishers who always come up with new ideas, joint ventures and funds in the personal or professional capacity. The Vankwani family has initiated a grand welfare project called Prem Nagar at our native town Islamkot, Tharparkar in the loving memory of Dr Prem Kumar, who left us in April 2021. We have purchased 110 acres of land at our own to establish a world class model village as a beacon of hope for promoting social justice, equality, and sustainable development.

Geostrategically, Prem Nagar also serves as a central point that connects Chachro, Nangarparker, Diplo, Mithi and other important places in the Tharparkar region. Although Tharparkar is one of the backward remote areas of Pakistan, in comparison with the education and talent with other parts, students belonging to Tharparkar always perform very well with the highest percentage and score. Unfortunately, due to poverty, education, health facilities and lack of resources, their talent and potential is being wasted.

Because of being my native town, it was my dire wish to work on some welfare project for the development of my people, my city, and my country. Therefore, I laid down the foundation of Prem Nagar, a model village with multi sectoral welfare projects, which will definitely change the fate of Tharparkar with the involvement of donors, investors and philanthropists. Initially, construction work related to SOS Children's Village, Public School, Orphanage, Old-aged home, Thar Nature History Museum, Thar University, and Nursing & Paramedical College have been started whereas others are in the pipeline.

Within a short time period of just three years, the Prem Nagar has emerged successfully as a role model that fosters social inclusion and cohesion by bringing together people from diverse backgrounds and promoting mutual understanding and respect to all. The good news that I would like to share is that the Pakistan Centre for Philanthropy has also recognized its active contributions as a welfare project. By providing training and resources, our initiative is very rapidly enabling communities to become self-sufficient and empowered to take control of their lives. By providing access to quality education, skills training, and economic opportunities, I believe that the Prem Nagar would play its due role in reducing poverty and to improve the overall standard of living. Further, it enables communities to develop sustainable livelihoods, increasing their economic independence and resilience, as well as uplifting the socio-economic condition by creating jobs, promoting entrepreneurship, and attracting investments.

I am also grateful to the Pakistan Hindu Council for the active support and kind cooperation to make this noble cause a great success since day one. We are committed that every human being will be eligible to get relief regardless of their religious affiliations.

Finally, I would like to assure that my struggle, especially to protect the rights of Non-Muslim citizens and charity work will get more momentum in future till we fulfill the dream of Quaid-e-Azam.

Pakistan Zindabad!

Mr. Parshotam Ramani

President
Pakistan Hindu Council

MESSAGE

I extend my heartfelt congratulations to all the couples uniting in the sacred bond of marriage during the 18th Mass Marriages Program. This joyous occasion exemplifies the unity, love, and support that define our community. May their lives together be filled with happiness, prosperity, and mutual respect?

I have served a long period in this organization in different positions and I have seen it grow over these years with the leadership of Dr. Ramesh Kumar Vankwani. The Combined Marriages Program initiated in 2008 under the Presidency of Mr Raja Asser Mal Manglani has been one of the major events that the Pakistan Hindu Council organizes every year. This event not only provides the deprived minority communities with a platform but also a sense of social inclusiveness in society. The couples and the families are provided with all the facilities required for a marriage ceremony. Couples are helped financially and given household appliances and gifts to start their life as newlyweds.

Being elected as the President of the Pakistan Hindu Council this year has been a profound honor for me. I take up this responsibility with tremendous pride and a firm commitment to continuing the remarkable legacy of the Pakistan Hindu Council in serving the people of Pakistan.

One of the major goals of the Pakistan Hindu Council is to create interfaith harmony in Pakistan. Therefore we arrange different social activities such as Iftar and Sehri Programs, Christmas Programs as well as Ramadan Distribution Drives to promote the concept of Interfaith Harmony among all the youth of Pakistan. We need to create a deeper understanding of the different religions to promote peace and prosperity within society. We have also created employment opportunities for hundreds of youth through our Rozgar Scheme. Our sewing machine distribution program has also helped many widows with the opportunity of making a livelihood for themselves and their families.

Other services that Pakistan Hindu Council provides is the 2 cremation buses that run across Hyderabad and Karachi along with 16 ambulances. We also run 17 schools in the remote areas of Tharparkar. Education has been one of our major focus. We aim to educate these children from the deprived areas. Every child should have the right to education. Every year around 1000 students are provided with scholarships through our Mata Sarasvati Scholarship Program from all over Pakistan with the aim to educate the women of our society.

It is also my great pleasure to celebrate the success of the Dharmic Quiz Competition Program, which saw the participation of over 10,000 students from the Hindu community. This outstanding achievement reflects the dedication of our youth to preserving and deepening their cultural and spiritual heritage.

The Pakistan Hindu Council continues to provide remarkable services to the community, from education to healthcare and cultural preservation. These initiatives stand as a testament to our collective efforts and commitment to uplift and empower our people.

I am deeply grateful to all those who contributed to the success of these programs and to the betterment of the people of our beloved nation Pakistan. Together, we are building a brighter future.

Mr. SOHAIL YASEEN SULEMAN
